MANAGER'S NOTES

Summer is here, the kids are out of school, the pool is open and the golf course is in great shape. We want all to enjoy the club and its offerings. While we are all here to have a great time it is important to remember that there are a few rules that are a little more important than most. One them is to not bring any type of food or beverages on the club premises. Please read the following rule:

According to State Law, it is illegal to bring alcoholic beverages onto the premises of Cedar Creek Country Club which is a private club. Premises are defined as all of Cedar Creek Country Club property including but not limited to the clubhouse, swimming pool, tennis courts, and golf course. It is the policy of Cedar Creek Country Club to abide by the law and to monitor and control any violation of this law. To this end, the following policy is put into effect as of this date.

- I. Anyone observed bringing beer or any other alcoholic beverage onto the club premises will be asked to remove it from club premises.
- II. The second time the same person is observed violating the rule, a letter of reprimand from the Board of Directors will be written.
- III. The third time the same person is observed violating the rule, membership privileges will be suspended for a length of time deemed appropriate by the Board of Directors, with a written notice mailed to the member at his or her last known address.
- IV. No alcoholic beverages may be removed from Club property.
- V. No food and beverages may be brought onto Club premises, except special occasion cakes or other specialty items approved by management.
- VI. Please sign in each time you use the pool and note whether or not your guests are adults or children

Let's all have great time at the club.

-Randy

The key to practice is making sure that quality comes first rather than the quantity of time spent.

One of the best drills you can do to help lower your scores when you have very little time to practice is to get on the putting green. We all know that putting is one of the, if not THE, most important parts of the game. By spending 5 minutes putting from 2-3 feet from the hole, you could finally break through from scores in the 100s, 90s and even 80s.

Putting 10-20 times in a row from 2-3 feet can help you in several ways:

First, short distance putts help you to control the length of your putting stroke. Making this small stroke can help to minimize the amount of body movement you have during the stroke. It also has the potential to reduce the habit to 'look up' that many players suffer from when wanting to watch the ball roll. Due to the short length of the putt, the ball has typically dropped in the hole before the player can 'look up'.

And finally, these short length putts are what can significantly increase your confidence throughout your entire game. By hearing and seeing the ball go in the hole several times in a row, your brain begins to enter 'auto pilot' mode. Rather than entering negative thoughts over putts, your brain recalls the senses that it experienced during the drill and helps your body to carry out that confident motion during your putting stroke.

SUPERINTENDENT'S NOTE

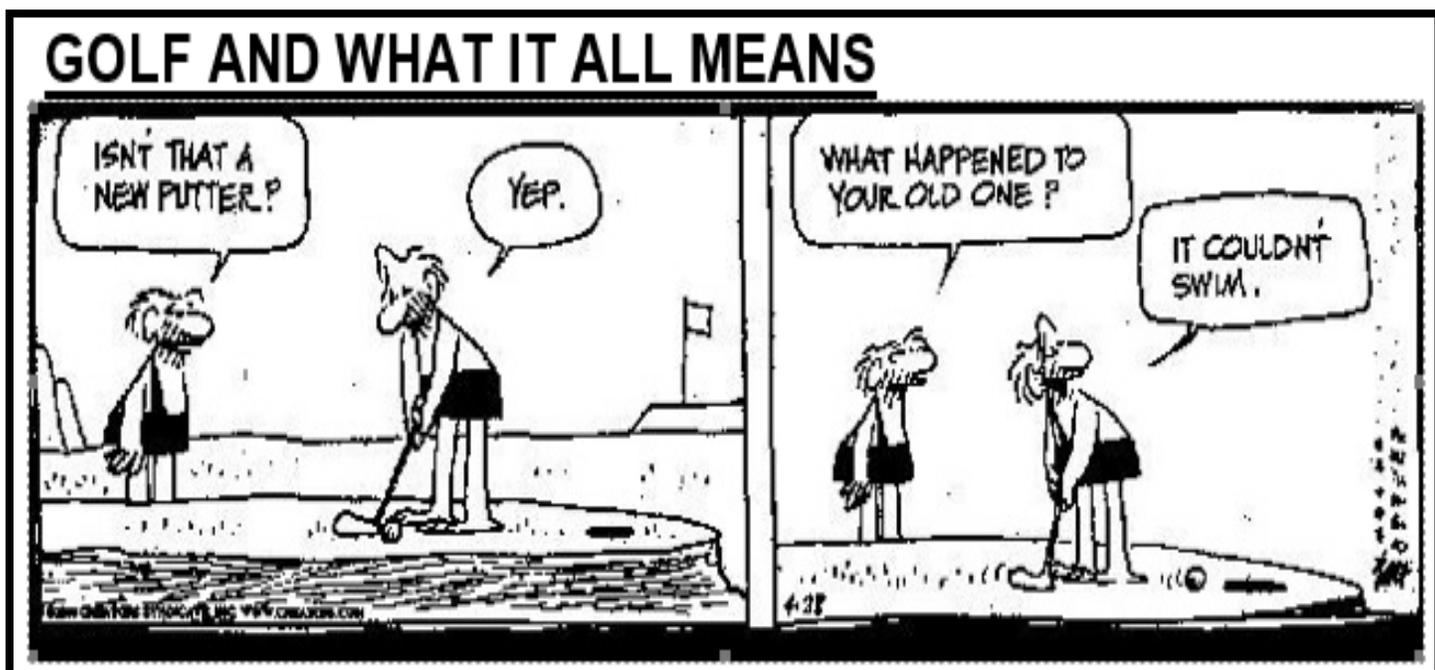

The month of May has also blessed your course with needed rainfall.

Last month your golf course staff fertilized your entire course, aerified green's putting surfaces with 1/2" hollow coring tines, while continuing to maintain and set up your course for Monday tournaments and regular day to day play.

June looks to be just as busy with warmer temperatures on the way. Bringing more grass to cut, more verticutting of the putting surfaces, more tournaments and OH YES LETS NOT FORGET, another greens aerification on June 26th and 27th. Please mark your calendars!

Your golf course is in great shape, grab your clubs and come join in the fun!

MEN AND WOMEN'S GOLF ASSOCIATION

Greetings from the WGA:

You may have noticed that all of the WGA members have had continuous smiles on their faces lately. This is due to the fantastic response we had for our Mother's Day Raffle. Not only did we present David Cary, our Grand Prize winner, with \$200.00, roses and candy but we also were able to present two more winners....Charlie Thies and Bob Hill...with a dozen roses. We want to express our deep appreciation to all who purchased tickets for this fundraiser. And thanks also to all WGA members for working so hard to sell these tickets!

We are also very pleased with the great turnout for the Guys & Gals tournament. We had sixteen couples participate and twelve couples won prizes. We look forward to another successful G&G tournament in October.

Hope you have noticed that the flower baskets outside the Club have been refurbished by the WGA. Thanks to Helen Fowler and Roberta Oxford for taking on this project.

The popular Steak & Beans Tournament sponsored by the WGA is coming up on June 10 & 11. Randy and Stephen will be our Captains. A signup sheet is available in the Pro Shop. This is always such a fun tournament so please come join us for this event.

We are very proud to announce that our WGA Scholarship Fund has awarded three deserving Seniors \$500.00 each to be sent to the college or university they will attend in the Fall. Congratulations to Sarah Farley – Kemp, Macy Brockman – Mabank and Haley Mashburn- Mabank. We wish you good luck as you enter this new exciting phase in your life! These awards are made possible by the generous donations we receive on the 8th Hole during the Member/Guest tournament. Our WGA volunteers will be on hand again this year to ask/accept these donations on Friday, June 23rd. We hope that all the players in this years tournament will, once again support this very worthy cause.

We would like to welcome Susan Wohlfeld, our new member, to the WGA. We are so happy to have you join us!

Hope to see you around the course.

And suddenly, it is Summer! May passed way too fast. The Memorial Day Weekend was so much fun. We had a great time with Hack and Scratch, the Luau and as always, Whiskey Pants never disappoints. We are looking forward to June, with all the events scheduled. We are gearing up for what will be a wonderful Member/Guest Weekend.

We are finalizing a few changes to the menu for the Summer. Look for a couple of fresh new salads, sandwiches and entrees that are light and tasty. Our Friday Buffets will offer more variety in June, so watch your email for our offerings.

On the Evening of June 9th, the Club will be closed for the evening. Please make a note of this. Kitchen service will cease at 3pm so we can get ready to host this event. Thanks in advance.

Please remember that no outside food or drinks are allowed at the pool. We will again have a Pool Menu of offering for our pool guests, and you can always come into the Lounge to enjoy the complete menu. As it was last year, service to the pool will end one hour prior to the posted pool hours.
